### OUR PURPOSE

The purpose of The Masonic Service Bureau of Los Angeles is to relieve the distress of Masons who are members of Lodges in other jurisdictions and their widows and orphans while residing in the area and of those whose Lodges are in other areas of California. This includes, but is not limited to, arranging and conducting funerals of deceased Masons, making investigations at the request of Lodges of this and other jurisdictions, visiting sick sojourners, operating a clearing house as to applicants for the degrees of Masonry and for such other proper Masonic activities as may be authorized by the Grand Lodge of California.
