Right Worshipful

Larry Adamson

Junior Grand Warden

President and CEO, Midnight Mission

Established in 1914, the Midnight Mission is one of the oldest continuously operating human services organizations in the Los Angeles region. Centered in the Skid Row area of downtown Los Angeles, the Mission runs one of the most efficient direct service operations in the country. They offer a bridge to self-sufficiency for homeless people through counseling, education, training and job placement. They also make available the necessities of life to homeless people: food, shelter, clothing, personal hygiene needs, and medical care. The Mission serves homeless people with empathy and respect, without sermonizing.

Our Aim

The Masonic Service Bureau of Los Angeles shall be for the purpose of properly relieving the distress of Masons who are members of Lodges in other jurisdictions and their widows and orphans while residing in the area of the Masonic Service Bureau of Los Angeles and of those whose Lodges are in other areas of California. This includes, but is not limited to, arranging and conducting funerals of such deceased Masons, making investigations requested by Lodges of this and other jurisdictions, visiting sick sojourners, operating a clearing house as to applicants for the degrees of Masonry and for such other proper Masonic activities as may be authorized by Grand Lodge.
