SPEAKER

ORLANDO WARD

Director of Public Affairs

Established in 1914, the Midnight Mission is one of the oldest continuously operating human services organizations in the Los Angeles region. Centered in the Skid Row area of downtown Los Angeles, the Mission runs one of the most efficient direct service operations in the country. They offer a bridge to self-sufficiency for homeless people through counseling, education, training and job placement. They also make available the necessities of life to homeless people: food, shelter, clothing, personal hygiene needs, and medical care. The Mission serves homeless people with empathy and respect, without sermonizing.

SANTA MONICA PALISADES

LODGE

Worshipful Ara Maloyan invites everyone to a night of Masonic Education.

Dr. Margaret C. Jacob, a distinguished Professor of History at the University of California, Los Angeles will be lecturing on the topic of "Masonic Secrecy and the Paradox at the Heart of Modernity." Copies of her latest book, "The Origins of Freemasonry; Fact or Fiction," will be available before the lecture.

The event takes place on Saturday November 12, 2005. Book signing is at 5:00 PM and the Lecture is at 5:30 PM. This event is free and open to the public. RSVPs are appreciated, Tel: 310-394-2835.

Dr. Jacob argues in an earlier book, "Living the Enlightenment: Freemasonry and Politics in 18th-Century Europe," that the hundreds of Masonic lodges founded in eighteenth-century Europe were among the most important enclaves in which modern civil society was formed. In France, the Netherlands, Belgium, and Britain men and women Freemasons sought to create a moral and social order based upon reason and virtue, and dedicated to the principles of liberty and equality. A forum where philosophers met with men of commerce, government, and the professions, the Masonic lodge created new forms of self-government in microcosm, complete with constitutions and laws, elections, and representatives.

Q: How many Masons does it take to screw in a light bulb?

A: Three. One to screw it in, one to read the minutes of the previous light bulb replacement, and one to sit on the sidelines and complain that this wasn't the way they USED to screw in light bulbs.
