## **New Shrine Hospital?**

Our Brother Stu Wright, Past Potentate and Chairman of the Shrine Hospital Board of Governors, announced recently that the Joint Boards of the Shrine of North America advised that they would be sending the required letter to Los Angeles County, to request the re-opening of negotiations for the site of a new hospital on the grounds of the Los Angeles County-USC Medical Center. This had previously been under negotiation, and was then unfortunately terminated. Much remains to be done and it must be accepted by the County, but the Shrine is most enthusiastic over the future of this endeavor.
