2009 MASONIC SYMPOSIUM AT UCLA

**Applying Masonry in
Contemporary Society**
Saturday, May 2, 2009
9:00 a.m. to 3:00 p.m.

What leadership can Masonry bring to contemporary society? And how can Masonry provide leadership while retaining its fundamental principles of taking no side in political and sectarian matters?

This Symposium will research how Masonic principles are at the foundation of a healthy, democratic society, and what its effect can be on contemporary society which is now definitely less than healthy. It will also explore the limitations that Masonry faces in supporting or changing public policy, and will look at its leadership capabilities in this area, along with the potential impact that Millennial Masons can provide in making changes.

This event will be open to all and will be free of charge (no meals).

SENIOR WARDENS MEET THE DEPUTY GRAND MASTER

The Senior Wardens in our Los Angeles area enjoyed the visit and talk of the Deputy Grand Master at the February Bureau Meeting. These attendees were photographed with our honored guest following his presentation of the planned focus for our Grand Lodge next year (see above photo). A summary of the DGM's talk will be included in next month's Bulletin.
