## "By Your Side" Grand Master's Project 2010-2011

Most Worshipful Bill and Linda have focused on a special need this year, to better assist and treat those who are affected by the most feared disease, cancer. This year's "By Your Side" Project is aimed toward providing greatly needed support to expand and increase cancer-specific educational resources, assisting hundreds of California nurses to become certified nurse oncologists. This is a critical need in our state. Oncology nursing has a specialized focus on caring for individuals and families experiencing cancer. This Grand Master's Project is dedicated to those patients and their loved ones.
