February Stated Meeting To Help Fight Cancer

Since February is recognized as *National Cancer Awareness Month* each year, it is appropriate for the Masonic Lodges to take the opportunity during that month to inform the Lodge members about cancers common in men and ways to reduce such risk of it happening. Tying into his Special Project for the year, our Grand Master is asking each Lodge to plan a special program at their February Stated Meeting, on this subject. He has sent out planning information to each Lodge, for such an event. Please use this time to talk about cancer prevention and improving the lifestyle of all of us!
