Donations Exceed Grand Lodge Expectations!

Our Grand Master has just announced that over 50% of all California Lodges have already offered donations to his Special "By Your Side" Project. This is the first time that so many of our Lodges have participated financially in supporting such yearly programs. The first recipient of these funds was the City of Hope, who in May recognized MW Bill and Linda at a special celebration program for their efforts to put more certified Oncology Nurses in our medical facilities. Our Grand Master and his wife presented the City of Hope staff members with a \$50,000 donation at that event. More than 60 staff members, Masonic visitors and local Oncology nurses attended the reception.

MASONIC EDUCATION AND U.C.L.A. SUMMER SCHOOL

Summer School for Masons! July offers several different opportunities to learn more about your fraternity! In a [2011 Summer History Course Series](#), two UCLA Historians will present public versions of two undergraduate courses on Freemasonry, examining its impact on Latin America during the 19th Century and exploring American Masonic History from the time of the Enlightenment through the present day. These courses will be given locally at the Pasadena Scottish Rite on July 14, 21 and 28. Registration Forms are on the Grand Lodge Web Site.

Also, in addition to the "on-line" courses, there will be an intensive one-day [Leadership Training Program](#) presented on July 9th in San Diego. Kim Hegg at Grand Lodge is your contact for registration.

And there are two [Masonic Education Lecture Series](#) being presented by local Los Angeles Lodges for your participation. [Liberal Arts Lodge 677](#), with support from the Roosevelt Center, will have UCLA Professors speaking July 23 and September 17 on Masonic subjects. [Ionic-Composite Lodge 520](#) will offer the final presentation in its 2011 Lecture Series on August 31, providing an opportunity to discuss Masonic topics with MW Stephen Doan (meeting tiled on the 1st Degree). Contact the Lodges for more information.
