Grand Master's Project 2011-2012

The goal of our Grand Master this coming year is to significantly improve child literacy in California. California Masonry will join with a non-profit organization called "Raising A Reader" to help families build and sustain successful literacy routines in their homes, through book-sharing and reading to the child. At the heart of the program is a partnership with families and educators that helps young children enter school loving books and ready to learn.

The simple act of reading to a child is one of the most powerful ways to help that child become successful in life. This Project intends to circulate children's books to homes, engage families in shared reading of those books, and help as many children as possible to develop reading readiness skills. Watch for more details to come out on this Project shortly.

CONGRATULATIONS!

San Dimas Lodge No. 428 has reached their 100th Anniversary this year and will be commemorating the momentous event at a Lodge Rededication Ceremony on November 19th at 6 pm. Our Grand Master will join with the Lodge that evening to celebrate with them.

[Liberal Arts Lodge 677](#) invites you to a talk by UCLA Dept. of Medicine Professor Nicholas Wisniewski, PhD., on the Role of "Belief" in Intelligence and Society, on Nov. 30th at 7:30 pm.
