Let's show our pride in our fraternity by making Masons Night at Dodger Stadium a great success!

For the past six years, our Grand Lodge has partnered with the San Francisco Giants Baseball Team to raise money to purchase baseball gloves for inner city youth. To date, the Northern California brethren have raised enough money to purchase 11,000 of these mitts! Each mitt has been stamped, "Donated by the Masons of California".

Now this Campaign is coming to Southern California! The LA Dodgers Foundation has recently formed a new partnership with our "Masons4Mitts" program which will continue this Masonic community support activity in LA, as part of the Dodgers RBI (Reviving Baseball in Inner Cities) Project.

The new program will be formally announced at this October's Annual Communications. However, in advance, there will be a special "Masons Night at Dodger Stadium" at a game with the San Francisco Giants on September 22nd, where our partnership will be announced to the public. A perfect way to show our community that Masons are committed to making a difference!

Each of our Southern California Lodges is being asked to attend and sell at least 20 tickets for this event. Seats are \$20 each. Please show your support and help us bring the fun of baseball to more kids. Bring your family and friends to the ballpark next month!
