THANKSGIVING

THE 148TH GRAND MASTER OF MASONS IN CALIFORNIA

■ ■ ■ ■

We congratulate and offer our best wishes to our new Grand Master, Most Worshipful John L. Cooper, for a great year to come!

Grand Master's Project Continues

Raising A Reader's nationally-acclaimed program has already helped thousands of children in California. Our special project has, until recently, been focused on supporting children in very early learning environments. We Masons of California are now also bringing it to those students in California's lowest-performing elementary schools. By targeting these schools also, we are broadening our goal to "Strengthen Families – One Book at A Time". Most Worshipful Cooper is following the initiatives of his predecessors in growing this priority program, helping parents promote early literacy skills at home and strengthen family relationships at the same time.
