SUPPORTING OUR PUBLIC SCHOOLS

April is set aside each year by California Masonry to renew our commitment to free public education, academic success and a well-educated citizenry. Lodges and Masons throughout our state continue to partner with communities to recognize and improve public education in many different ways. Our entire California Masonic fraternity reaffirms this support each April, during this Public Schools Month.

As a major event each year, schools are selected to showcase our support of and investment in public education and to recognize accomplishments of students and local educators. For our local L. A. area 2017 kick-off celebration, try to join our Grand Master and the Grand Lodge Public Schools Advisory Board members at 8:15 AM on April 21st at Franklin Elementary School in Altadena, at which time a significant donation will be made in support of programs benefiting the students and families in Pasadena/Glendale/Burbank.

PLAN AHEAD!

A fascinating exploration of "The Moscow Archives" will take place at the 2017 California Masonic Symposium being held at the Pasadena Scottish Rite on June 4th. Over 200 years of Masonic history seized by the Nazis and then taken to Russia have now been released and returned for open analysis by Masonic scholars and historians. Don't miss this event! Registration is now open at www.freemason.org.

L.A. MASONS WELCOME OUR GRAND MASTER

With a huge number of dignitaries at the Head Table and over 60 Lodges and other Masonic organizations present, the 85th Annual Men's Breakfast of our Los Angeles Masonic Service Bureau welcomed and honored our 2016-2017 Grand Master, Most Worshipful John Heisner, on March 5th at the International Ballroom of the Hilton Los Angeles Airport Hotel.

This yearly Gathering of Los Angeles Masons began back in 1931 and is a most anticipated event in each Grand Master's Masonic Year. This year, Grand Master Heisner's message related to the importance of our fraternity's focus and future potential stemming from its past 300 years of existence (being celebrated this year), and a meaningful video presentation was included along with his talk.

This Breakfast always provides an impressive opportunity to show off Masonic brotherhood to our new Masons, as well as to listen to inspiring words from each of our Grand Masters on California Masonry and its ideals.

Reserve now for next year!
