Grand Master Proclaims May 2026 as Public Awareness Month

This month, the Grand Master calls on all members and lodges to consider ways that they can raise awareness of Freemasonry in their community — through open houses, tabling opportunities, online and over social media; and especially through simple conversations with friends and family. Our fraternity is not a secret.

California Masons have much to be proud of. It's time we share that pride with the communities that we call home.

Let's get ready for July's Grand Master's Proclamation to support our Veterans.

SUPPORT OUR VETERANS MONTH

During June, the Grand Master calls on all members and lodges to consider ways that they recognize the veterans in their communities and to salute them through acts of volunteerism, donations, or lodge events. In this manner, we can thank our veterans for their service to the country
